SECTORS POWERED BY FTS CLEANROOMS

- PHARMACEUTICAL & HEALTHCARE
- IVF LAB/STEM CELL LAB/COMPOUNDING LAB.
- BIOTECHNOLOGY CLEANROOM
- MEDICAL DEVICE FACILITY
- COSMETICS INDUSTRY
- MICRO-ELECTRONIC MANUFACTURING
- AEROSPACE CLEARROOMS
- FOOD INDUSTRY
- VERTICAL FARMING
- AUTOMOTIVE INDUSTRY
- OPTIC AND LASERS MANUFACTURING
- SOLAR AND OTHER RENEWABLE ENERGY APPLICATIONS

FTS Cleanrooms is UAE based company, is a pioneer in cleanroom design and construction company. We offer start-to-finish (turnkey) cleanroom solutions to the following industries.

INTRODUCTION

FTS UAE is a leader in cleanroom design and construction with 17 years of expertise. We provide turnkey cleanroom solutions across a wide range of industries, including Pharmaceuticals, Biotechnology, Healthcare, Medical Device Manufacturing, Aerospace, Cosmetics, Food, Semiconductors, and any sector requiring controlled environments. From concept to completion, we deliver high-quality, customized cleanroom solutions to meet industry-specific needs.

- In-house state of art manufacturing facilities.
- Strong consistent presence in the international markets with footprints in 30+ countries.
- Over 108 engineering and design professionals
- CAGR OF 23 % and 72% of our growth is from repeat clients.
- Provides industry focused and customized cleanroom engineering services to the industry based on our in-depth knowledge of cGMP, FDA, ISO and other international requirements.

Our Vision

Our vision is to become leader in the MENA region by sharing advanced cleanroom technology with the pharmaceutical, non-pharmaceutical, and healthcare. We strive to be the premier provider of innovative cleanroom solution, empowering our partners to achieve significant advancement while setting new safety and quality standards.

Our Mission

Our mission is to provide comprehensive, turnkey cleanroom solutions that encompass every stage of the process—from meticulous planning and innovative design to direct manufacturing, validation, and seamless installation. We are dedicated to understanding our customers' unique requirements, delivering effective, customized, and certified solutions that are ready for immediate use.

TURNKEY CAPABILITY

In-House Engineering & Manufacturing

INTERNAL INFRASTRUCTURE
Modular Clean Room &
HVAC (Heating Ventilation
& Air Conditioning)

AIR & CONTAINER STERILIZATION
LAFs, Air Showers,
Dispensing/Sampling
Booths & Dynamic/Static
Pass Boxes

FLOORING
Epoxy Flooring & Vinyl
Flooring

PROCESS EQUIPMENTS
Sifter Multi-Mill Rapid Mixer
Granulator Fluid Bed Dryer
Fluid Bed Processor
Blender

MECHANICAL, ELECTRICAL & PLUMBING
Utility Piping, Electrical,
Support Structure Plumbing
& Drainage

CLEAN UTILITIES & PROCESS PIPING
WFI, PW, PSG, Storage &
Mfg. Tanks Loop Lines
CIP/SIP & Process Piping

CONTAINMENT SOLUTIONS
Positive/ Negative Pressure
Isolators, Glove Box &
cRABS

CLEANROOM VALIDATION SERVICES

- ✓ Filter Integrity Leak Test (Using PAO / DOP)
- ✓ Air Borne Particle Count Test
- ✓ Recovery Time Studies
- ✓ Air Flow Visualization Test (Smoke Test)
- ✓ Air Velocity Measurement
- ✓ Air Changes Per Hour
- ✓ Pressure Balancing Test
- ✓ Temperature & Humidity Test
- ✓ Light Intensity Measurement
- ✓ Sound Level Measurement
